Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply black ink to the "Live Your Best Life" title and white ink to the small circle elements. Allow to dry completely.
3. Use BRAVE paper as your background page.
4. Adhere the 2 STRONG (brown side) strips to either sides of the DREAMER (pink flamingoes) piece, leaving approx. 2-3mm showing.
5. Adhere the pink scalloped border strip to the left side.
6. Now adhere the 2 STRONG (stripes) strips on either side, with approx. 2,5cm showing on the left and 1,5cm showing on the right.
7. Adhere the entire flamingo piece to the background page, approx. 2cm from the right edge.
8. Tie ribbon around the top of the pink photo mat, attach flamingo charm and adhere to the page, approx. 3cm from the top and 5cm from the right edge.
9. Mat the quote card with STRONG (brown side) photo mat, raise with foam tape and adhere to the top left of layout, adding tag, fussy-cut tab and flamingo elements as per picture.
10. Raise the fussy-cut group of flamingoes with foam tape and adhere to the bottom left of the page, adding circle cut-out, also with foam tape.
11. Adhere quote strip, scalloped border and chipboard title to the bottom of the layout, on the flamingo block.
12. Embellish your layout with remaining fussy-cut elements as desired.

Hope you have enjoyed completing this layout 😊
