Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: I have heat embossed all my chipboard elements with gold embossing powder. Alternatively, ink all chipboards with a gold ink of your choice. Allow to dry before placing on your layout.
3. The PEACE (woodgrain) paper will be used as the background page.
4. Adhere WONDER (green/gold) piece to the left side, approx. 2cm from the left edge.
5. Adhere PEACE (green/gold stars) piece to the right side, approx. 2,5cm from the top & 1cm from the right edge.
6. Adhere WONDER (gold wash) piece to the bottom right, approx. 1,5cm from the bottom & right edges.
7. Adhere CELEBRATION (teal/gold stripe) piece to the centre, approx. 8cm from the left side & 10cm from the top of the page.
8. Raise word strips with foam tape and adhere to the top of the layout, adding scalloped border strip just underneath.
9. Adhere RED photo mat, approx. 5,5cm from the left and 4,5cm from the top of the page. Tuck tab under the left edge before sticking down.
10. Adhere the 2 quote cards (both raised with foam tape) and CREAM photo mat along the bottom of the layout. Add poinsettia fussy-cut flowers as per picture and adhere gold scalloped chipboard strips to the outer sides of the quote cards.
11. Place embossed/inked chipboard words as per picture.
12. Raise circle element with foam tape and arrange with baubles to the right side of the layout.
13. Add star chipboard to the top of the large photo and adhere fussy-cut bow (with foam tape.)
14. Embellish your layout with remaining fussy-cut elements as desired.

Hope you have enjoyed completing this layout 😊

Love,

Juliet
