Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply white chalk ink to the lattice chipboard. Lightly dab pink ink on a few parts of the design, blending with your finger or a blending tool. Once dry, cut the design into a few pieces.
3. The SERENITY & PEACE pages will be used as the background pieces.
4. Arrange all the mattings as per picture, tucking the month tabs underneath each piece. You are welcome to move the pieces around, or change the orientation to suit your photos. Raise the frame and quote blocks with foam tape for extra dimension.
5. Use the remaining fussy-cut elements and chipboards to add embellishment to your layout, raising some elements with foam tape for extra dimension.
6. I have cut sections of the stencil and used them as embellishment on some of the blocks.

Hope you have enjoyed completing this layout 😊

Love,

Juliet
