Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply white chalk ink to all the selected chipboard words & other elements. Lightly dab pink ink to the tops of the words, blending with your finger or a blending tool. Apply green ink to the bottoms and shade the colours in the centres, leaving some of the white ink showing. Allow all chipboards to dry before adhering to layout.
3. I recommend using 2 sheets of plain 12x12 cardstock as your background base – adhere all the cut strips to this base to ensure that your layout is the correct size.
4. Adhere a strip of ADORE (circles) to the extreme left and right of both background pages.
5. Adhere PASSION (floral with bunny) strip next to the circles strip on the left page, tucking border strip underneath the left side.
6. Adhere ROMANCE (bunny collage on bottom right) next to the circles strip on the right page, tucking border strip underneath the right side.
7. Now adhere the ETERNITY pieces to the centre of the pages, the text on top and hearts on the bottom. Trim in the middle of the layout once you have aligned them with the pieces already stuck down. Adhere zig-zag border strip to the top of the hearts piece and fussy-cut floral strip to the bottom of the text piece. Raise quote border strip with foam tape and adhere in the centre of both borders.
8. Adhere ROMANCE (triangles) strip to the text paper, flush against the right edge and approx. 1,5cm from the top. Trim in the centre of the pages.
9. Adhere photo mats as follows: PINK – 1cm from the top & 2cm from the left of the right page. GREEN – 1cm from the top and 1cm from the PINK mat.

2 x GREEN – 1cm from the top and 9cm from the right of the right page, with approx. 1/2cm in-between.

2 x TEXT – Adhere to the pink hearts piece, in the centre of layout.

10. Raise quote card with foam tape and adhere to the top right side of the left page. Add circle and leaf elements.
11. Use leftover patterned papers to make up the 4 mini envelopes – use the template provided to cut out and fold. Place on layout as per picture and decorate with tags and other fussy-cut elements.
12. Place inked chipboards on layout as per picture. Add small pieces of cardstock under some of the hearts.
13. Use the remaining fussy-cut elements and chipboards to add embellishment to your layout, raising some elements with foam tape for extra dimension.
14. Raise all the bunny/animal fussy-cut images with foam tape and adhere on layout as per picture.
15. Apply stickles or glitter glue to chipboards and other elements on the layout to add some extra sparkle.

Hope you have enjoyed completing this layout ☺

Love,

Juliet
