Instructions to complete the layout:

1. Ink the edges of all patterned papers, photo mats and fussy-cut images with Pumice Stone Distress Ink.
2. Prepare your chipboard elements: Apply white chalk ink to the 2 chipboard words. Lightly dab pink ink on the top of each word, blending with your finger or a blending tool. Apply Silver Delicata ink to the bottom part, blending the 2 colours in the centres. Apply Silver ink to the heart & flourish chipboards.
3. The PASSION patterned paper will be used as your background sheet.
4. Adhere the PINK cardstock piece to the bottom left, approx. 2cm from the bottom and left sides.
5. Adhere the CONNECTION (floral) piece to the right of the page, approx. 2,5cm from the top and flush against the right edge. Tuck scalloped border strip under the left side before stocking down.
6. To make the frame: use the backing (kraft) piece from one of the chipboard packs – cut to 12cm x 17cm. Cut a 1,5cm frame from this piece, using a kraft knife. Now cover the kraft frame with ROMANCE patterned paper, wrapping the paper around the frame and sticking down at the back. Place PINK cardstock under the frame, raise with foam tape and adhere to the top of the page, approx. 2cm from the top and 2,5cm from the right.
7. Adhere the 2 small photo mats approx. 1cm below the frame. You can use the stencil from the bulk pack to add some hearts to the sides of each mat (use pink chalk ink.)
8. Adhere zig-zag border strip to the bottom of the layout, tucking fussy-cut floral and leaf elements underneath the top part.
9. Raise both circle elements with foam tape and adhere as per picture, adding chipboard flourishes and leaf fussy-cut elements.
10. Add inked chipboard words as per picture & bracket (raised with foam tape) to the left side.
11. Adhere small leaf sequins to the floral elements along the border strip.

Hope you have enjoyed completing this layout 😊

Love,

Juliet
