Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply white chalk ink to all the selected chipboard words & other elements. Lightly dab Pixie Dust (light pink) ink to the tops of the 2 smaller words, blending with your finger or a blending tool. Apply Pink Grapefruit (darker pink) ink to the bottoms and shade the colours in the centre. Colour the larger chipboard title with Wheat, Java (brown) and Aloe Vera (green) inks and allow to dry. Apply dimensional glaze to the chipboards once coloured and allow to dry – this will create a glossy finish.
3. I recommend using 2 sheets of plain 12x12 cardstock as your background base – adhere all the cut strips to this base to ensure that your layout is the correct size. Alternatively, you can adhere the patterned paper strips together with tape (at the back) - just ensure they measure 12x12 once assembled.
4. Adhere the 4cm strip of GRATEFUL (woodgrain) to the extreme left and the 3,5cm strip to the extreme right of both background pages.
5. Adhere scalloped border strip to the underside of the left side of HOPEFUL paper.
6. Adhere zig-zag border strip to the underside of the right side of GRATEFUL paper.
7. Now adhere both these pages to the centre of the layout, just over the woodgrain strips, so that your background is complete.

8. Adhere DETERMINED (floral) piece to the centre of both pages, trimming at 10cm for the left page, and approx. 1/2cm from the bottom of the layout.
9. Adhere CURIOUS (arrows) piece to the right page, approx. 3cm from the left edge.
10. Cut diagonal corners from both smaller THANKFUL (beige) pieces to form tags. Use the kraft backing sheet from the chipboards to mat these 2 tags. Embellish with small circle cut-outs.
11. Adhere the larger orange dot photo mat to the right page, approx. 1cm from the left and 1,5cm from the top, tucking one of the tags under the top right side. Adhere THANKFUL (beige) photo mat to this piece, left aligned.
12. Cut a 1,5cm frame from the DETERMINED (orange dot) square piece. Raise with foam tape and adhere to CURIOUS (brown pattern) piece. Adhere to the bottom of the left page, tucking the 2nd tag under the left side.
13. Adhere the 4 small green dot photo mats to the left page, approx. 1cm from the top and 5cm from the left edge.
14. Adhere the remaining 2 green dot photo mats to the right page, approx. 1cm from the left and 3,5cm from the bottom. Tuck a small piece of folded ribbon under the top right before sticking down.
15. Raise zig-zag border strip (trimmed to 23cm) with foam tape and adhere below the photo mats, adding fussy-cut leaf/pot collage just under the top.
16. Raise quote card with foam tape and adhere to the top right side of the left page. Add tab and fussy-cut leaf elements.
17. Place inked and glazed chipboards on layout as per picture.
18. Use the remaining fussy-cut elements and chipboards to add embellishment to your layout, raising some elements with foam tape for extra dimension.
19. Attach some of the mini beads to dressmaking pins – insert into embellishments that are raised with foam tape.
20. Add strips of rhinestones and mini charms to embellish layout.

Hope you have enjoyed completing this layout ☺

Love,

Juliet
