Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply dimensional glaze to BRAVE and BEAUTIFUL words. While wet, sprinkle glitter over the words. Shake off excess glitter and allow to dry. Apply White or Wheat chalk ink to the rest of the words and chipboard elements and allow to dry.
3. The beige THANKFUL sheet will be used as your background page.
4. Adhere the 3cm strip of PP5921 (brown side) to the left of the background page, leaving an even border on all 3 sides.
5. Adhere GRATEFUL (woodgrain) piece next to this strip and add border strip.
6. Adhere DETERMINED (floral) paper to the right of the background page, leaving an even border on all 3 sides.
7. Adhere scalloped border strip next to this piece, on the left side.
8. Raise the large photo mat with foam tape, and adhere to the top right of the page, approx. 1,5cm from the top and 2cm from the right edge. Add tab to the right side of the photo mat.
9. Adhere the smaller photo mat (also raised with foam tape) to the bottom left of the layout, approx. 2cm from the left and bottom edges. Add tab to the right side.
10. Adhere the 2 fussy-cut tags to the bottom right of the page, adding a word strip, chipboard arrow and floral cut-out.
11. Raise bracket cut-out with foam tape and adhere to top left of page.
12. Create a cluster with circle cut-outs on the top left side of the page - see picture for more detail.
13. Adhere chipboards to layout and add rhinestones to embellish.

Hope you have enjoyed completing this layout 😊

Love,
