Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply white chalk ink to all the selected chipboard words & other elements. Lightly dab the colour inks on the chipboards, over the white ink, blending with your finger or a blending tool, shading the colours to create an ombre effect – allow to dry before placing on your layout.
3. The woodgrain sheet HAPPY HEART will be used as your background page – remember to cut off the quote/markings strip at the bottom.
4. Adhere the HAPPY HEART (floral collage) piece to the top of the background page.
5. Adhere blue dot wavy border strip approx. 5cm from the bottom of the page.
6. Adhere scalloped border strip just above this wavy strip.
7. Raise quote strip with foam tape and adhere above scalloped border.
8. Adhere green cardstock photo mat to blue dot photo mat, and adhere to top left of page, approx. 1cm from the top and 3,5cm from the left side.
9. Adhere the 2 smaller photo mats just below this large photo mat.
10. Raise fussy-cut floral wreath with foam tape (trimmed to approx. 10,5cm wide) and adhere to the right of the layout, over the script words piece (trimmed to fit.) Adhere bracket, circle and word strip along with CELEBRATE chipboard word.
11. Adhere inked chipboard title BEAUTIFUL to the bottom of the layout, over fussy-cut floral strip.
12. Use the remaining fussy-cut elements and chipboards to add embellishment to your layout.
13. Add rhinestones for some extra sparkle.

Hope you have enjoyed completing this layout 😊

Love,

Juliet
