Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply white chalk ink to all the selected chipboard words & other elements. Lightly dab the colour inks to the chipboards, over the white ink, blending with your finger or a blending tool, shading the colours to create an ombre effect. Apply stickles to parts of the chipboards to add extra sparkle – allow to dry before placing on your layout.
3. The 2 sheets of BEAUTIFUL LIFE will be used as your background pages – remember to cut off the quote/markings strips at the bottoms.
4. Adhere the 3 8cm x 10,5cm photo mats to the top of the left page, approx. 4cm from the left and 4cm from the top. Tuck tabs, floral cutouts and chipboards underneath before sticking down.
5. Adhere the chipboard frame (with flower detail) over the pink jumbo photo mat. Adhere to the right page, approx. 1,5cm from the left and 1cm from the top.
6. Raise zig-zag frame with foam tape and adhere to green frame mat. Adhere to the right page, approx. 3cm from the top and 5cm from the right. Tuck tab under left side.
7. Adhere the 2 strips of SIMPLE PLEASURE (script words) to both pages, lining up in the centres and approx. 4,5cm from the bottom of the pages. Tuck dotted zigzag border strip under the bottom (9cm on the left page) and green scalloped border strip under the top (14,5cm on the left page.)
8. Now adhere the strips of words and tiles to these script words pieces, also to line up in the centre of both pages. Tuck woodgrain zig-zag strip under the top of the word strips (14,5cm on left page.)

Also tuck various tags and other cut-out elements under the word strip pieces before sticking down completely. Tie ribbon to small tags. See picture for more detail.

9. Raise quote card with foam tape and adhere to pink mat. Adhere to right page, approx. 1/2cm from the left and 1,5cm from the bottom.
10. Adhere the remaining square photo mat next to this quote card.
11. Raise the 2 fussy-cut floral corner elements with foam tape. Adhere to both outer bottom corners of the layout.
12. Adhere inked chipboard title to the bottom of the left page and add remaining chipboard elements to the layout as per picture.
13. Use the remaining fussy-cut elements and chipboards to add embellishment to your layout, raising some elements with foam tape for extra dimension.
14. Adhere the mini beads with dimensional glaze – allow to dry to secure.
15. Adhere cut-outs from the acetate sheet to add further detail as desired.
16. Use Stickles or clear glitter to add detail and sparkle to images on your layout.

Hope you have enjoyed completing this layout ☺

Love,

Juliet
