Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply white chalk ink to all the selected chipboard words & other elements. Lightly dab the colour inks on the chipboards, over the white ink, blending with your finger or a blending tool, shading the colours to create an ombre effect.
3. I recommend using 2 sheets of plain 12x12 cardstock as your background base – adhere all the cut strips to this base to ensure that your layout is the correct size.
4. Adhere GRATEFUL (with floral cluster on left) to the left side of the cardstock base.
5. Adhere GRATEFUL (floral cluster on top right) to the 2nd cardstock sheet, flush against the right side.
6. Tuck THANKFUL (woodgrain) strip to the left underside of the BLESSED (floral) paper. Also adhere text wavy border strip. Then adhere the whole piece to the left cardstock page.
7. Tuck AWESOME (green pattern) strip to the right underside of HAPPY (dots) paper. Also adhere woodgrain wavy border strip. Then adhere the whole piece to the right cardstock page.
8. Mat ORANGE cardstock (9cm x 13cm) onto DOTS (10,5cm x 14,5cm) piece. Adhere to the top left of page 1, approx. 1,5cm from the top of the page. Tuck small tag under the right side before sticking down. Adhere chipboard frame.
9. Adhere the 2 GREEN cardstock photo mats to page 1, approx. 1cm from the top and centered on the floral piece. Tuck tab under the bottom mat.
10. Adhere ORANGE (12,5cm x 9cm) photo mat to the bottom of page 1, approx. 1,5cm from the bottom of the page, adding a tab to the right side.

11. Adhere the square ORANGE photo mat to the top of page 1, approx. 1,5cm from the top and left sides.
12. Adhere the 2 cut-out quote cards to the bottom of page 2.
13. Adhere the GREEN cardstock mat to the BLESSED (floral) mat, and then adhere to the AMAZING (dark text) piece, tucking a tag under the left side. Adhere this whole piece to the bottom of page 2, approx. 1cm from the left and bottom of the page.
14. Raise the circle floral cut-out with foam tape and adhere to the top right of page 2, adding a small piece of chipboard mesh to the bottom.
15. Adhere quote border strip, along with zigzag floral border strip, to the centre of the layout, adding a floral cut-out collage to the right side.
16. Adhere inked chipboard words to the layout as per picture.
17. Use the remaining fussy-cut elements to add embellishment to your layout, raising some elements with foam tape for extra dimension.
18. Sprinkle a few mini beads on the layout – adhere with dimensional glaze.
19. Adhere cut-outs from the acetate sheet to add further detail as desired.

Hope you have enjoyed completing this layout ☺

Love,

Juliet
