PATTERN: PP6405 AMAZING

- ☐ Sheet 1: Fussy cut flower & leaf elements (leftover from double layout)
☐ Sheet 2: Cut out 12 x blocks

PATTERNS: VARIOUS

- ☐ Cut 12 x pieces of 11,5cm x 10cm from any leftover patterned papers/cardstocks. Use various designs (but make sure you have completed the double layout FIRST!)

Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers and fussy-cut images.
2. Prepare your chipboards: Apply white chalk ink to the selected chipboard words and images. Lightly dab the other colour chalks on the chipboards, over the white ink, blending with your finger or a blending tool, shading the colours to create an ombre effect. Allow to dry before sticking down on the layout.
3. The GIGGLES (grey text) paper will be used as your background page.
4. Adhere the numbers border strip approx. 12,5cm from the top of the page, tucking the scalloped border strip under the top and the zig-zag border strip under the bottom.
5. Cut a circle from leftover zig-zag paper (approx. 7,5cm diameter), raise with foam tape, and adhere to the centre of the numbers border. Tuck floral & leaf fussy-cut images underneath both sides. Adhere MY FIRST YEAR chipboard title to the circle.
6. Score each of the 12 x patterned paper pieces at 7,5cm and fold along the scored line.
7. Now adhere the 12 x months cards to the larger part of each folded piece, adding the corresponding month tab to the right side. Apply tape to the back of each of the smaller folds.
8. Starting with 1 month, adhere the smaller folded part to the background page (month card on the front). The card should flap open to the left. Adhere the next card (2 months) just on top where the piece ends. Continue with months 3 to 6. Adhere a quote card under the 6 months flap. Photos can be adhered to the insides of these flaps as desired.
9. Repeat this along the bottom of the background page, with months 7 to 11, and finishing with 1 year. Place quote card under the 1 year flap.
10. Use the remaining fussy-cut and chipboard elements to add details to some of the flaps, on the front or on the insides.

Hope you have enjoyed completing this layout 😊

Love,

Juliet
