Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply grey/charcoal ink (STARLITE BLACK) to all the selected chipboard words & other elements (including IN HIS ELEMENT frame.) Once dry, use your fingers or a sponge dauber, to lightly apply the metallic waxes to create a metal effect. Allow to dry.
3. The 2 sheets of BRAVE and THE MAN papers will be used as your background base – the patterns should frame the page once they are placed next to each other.
4. Adhere HANDSOME (bolts) paper to the left page, approx. 1cm from the top and 12,5cm from the left side.
5. Adhere SUPERIOR QUALITY block (cut from P6222 cardstock sheet) to the left page, approx. 2cm from the top and 7cm from the left.
6. Adhere small STRONG (gingham) piece to the left page, approx. 3,5cm from the left and 11cm from the top.
7. Adhere STRONG (gingham) piece to the top of the right page (with 3,5cm on left page) approx. 1,5cm from the top.
8. Adhere BLUE TEXT block (cut from P6222 cardstock sheet) to the left page, approx. 1/2cm from the right and 6cm from the top.
9. Adhere GREEN block (cut from P6222 cardstock sheet) to the right page, approx. 3,5cm from the top and 1cm from the left side.
10. Adhere YELLOW block (cut from P6222 cardstock sheet) to the right page, approx. 2cm from the left and 4cm from the top.
11. Adhere THE MAN (blue) photo mat to the left [page, approx. 3cm from the right and 8,5cm from the bottom, tucking cut-out tab under the right side.
12. Adhere the other THE MAN (blue) photo mat to the right page, approx. 3,5cm from the right and 1cm from the bottom.
13. Adhere journal card to the right page, approx. 11cm from the right and 7cm from the bottom.

14. Now adhere the fussy-cut tools border strip to the bottom of the page, with half on the left and the other half on the right page. Adhere denim strip and quote border strip to the bottom.
15. Adhere the 2 BRAVE (grid) photo mats (both raised with foam tape) to the left page, approx. 4,5cm from the top and right sides.
16. Adhere prepared frame to STRONG (woodgrain) mat, and adhere to the right page, approx. 4,5cm from the bottom and 1/25cm from the left side. Tuck tab under the right side.
17. Adhere the cut-out denim pocket to the left page, approx. 4cm from the left and 18cm from the top, tucking 2 x tags inside the pocket. Adhere measuring tape and other cut-outs.
18. Cut 6 strips of leftover WOODGRAIN paper (11,5cm ; 9,5cm; 7,5cm and 4,5cm lengths) and glue to thick pieces of cardboard or foam tape. Sand all around these pieces to give the effect of wood strips.
19. Adhere these strips to the layout as per picture, with a piece of mesh (from the embellishment pack) under each set. Also adhere a piece of the mesh print on the acetate sheet. Add nail charms and chipboard words to embellish.
20. Cut the word strips on the acetate sheet and adhere to photo mats as per picture.
21. Adhere prepared chipboards words and elements to layout.
22. Use the remaining fussy-cut elements and metal charms to add embellishment to your layout, raising some elements with foam tape for extra dimension.
23. Adhere cut-outs from the acetate sheet to add further detail as desired.
