Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply white chalk ink to all the selected chipboard words. Dab the other colour inks lightly on the chipboards and blend with your finger or a blending tool. Blend the colors slightly to create an ombre effect. Allow to dry.
3. I recommend using 2 sheets of plain white cardstock as your background pages – you can layer all the cut papers on these white sheets.
4. Adhere the 4 strips of FOREVER (damask) paper to the top and bottom of each white cardstock sheet.
5. Adhere CHERISHED (with floral collage on left side) paper to the left page, approx. 1,5cm from the top, to slightly overlap the damask strip.
6. Adhere the other CHERISHED (with floral collage on right side) paper to the right page, approx. 1,5cm from the top, to slightly overlap the damask strip.
7. Adhere the MOMENTS (stripes) strips below these pieces.
8. Now adhere both TIMELESS (doors) pieces below the striped strips, to slightly overlap the damask strips at the bottom of the pages.
9. Adhere "Laughter is Timeless..." border strip above the striped strip on the left page.
10. Adhere "The best and most beautiful..." border strip above the damask strip at the bottom of the right page.
11. Adhere 2 x cardstock (10cm x 15cm) blocks to the left page, approx. 1cm from the top and 1,5cm from the right side. Tuck a tab under the left side of the 2nd cardstock block and adhere bracket to right side.
12. Adhere a smaller cardstock block to the left page, approx. 7,5cm from the right and 4cm from the bottom.
13. Adhere the remaining 10cm x 15cm cardstock block to the right page, approx. 1/2cm from the left and 4,5cm from the bottom.

14. Adhere the remaining smaller cardstock block to the right page, approx. 1/2cm next to the larger block and 5cm from the bottom.
15. Raise Quote card with foam tape and adhere to the right page, approx. 7,5cm from the top and 2cm from the right side, tucking tab under the top.
16. Adhere the cut-out doily and circle images to the top of the right page, as per picture. Also add watering can, "Happy Moment" block and leaf cut-out.
17. Adhere bicycle and leaf/floral elements to the bottom of the right page.
18. Adhere the inked chipboard words to both pages, as per picture.
19. Raise "you are loved" circle with foam tape and adhere to the top left of the left page, along with leaf /floral cut-outs.
20. Raise "I will never forget" block and "our story" circle with foam tape. Adhere to the bottom left of the left page, as per picture, adding floral/leaf elements.
21. Adhere sprinkles of dried lavender (found in the embellishment pack) to both pages – I recommend using dimensional glaze to adhere these. Allow to dry completely.
22. Use the remaining fussy-cut elements, metal charms and rhinestones to add embellishment to your layout, raising some elements with foam tape for extra dimension.
23. Apply a little Stickles or glitter glue to some of the images for extra sparkle.
24. Adhere cut-outs from the acetate sheet to add further detail.

Hope you have enjoyed completing this layout ☺

Love,

Tuliet
