Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply white chalk ink to all the selected chipboard words, bicycle & heart elements. You can add Stickles or glitter glue to add extra sparkle. Allow to dry.
3. Use the 2 full sheets of MEMORIES papers as your background pages – remember to cut off the border strips.
4. Adhere CHERISHED (woodgrain) paper to the background, with 22,5cm on the left page and 8cm on the right. Tuck scalloped border strips under both sides before sticking down, also adding doily cut-out on the left page.
5. Adhere FOREVER (damask) paper strip to the woodgrain paper, approx. 3,5cm from the bottom.
6. Adhere large purple cardstock block to the right page, approx. 4cm from the top and 3,5cm from the right.
7. Use the stencil provided in the bulk pack, along with Spring Pansy Chalk Ink, to stencil a damask pattern to a few of the smaller cardstock blocks.
8. Adhere one of the vintage cardstock blocks to the left page, approx. 2cm from the top and 3,5cm from the left edge of the woodgrain paper.
9. Adhere purple cardstock block next to this, approx. 1cm from the top and 1/2cm from the right edge of the left page.
10. Raise quote card with foam tape and adhere, along with a smaller cardstock block, to these 2 pieces – see picture for placement. Add tab to the right of the photo mat block.
11. Adhere brick block to the right page, flush against the left edge and approx. 3,5cm from the top. Raise circle element with foam tape and adhere to the top, with 2 cut-out butterflies.
12. Adhere small photo block to the right page, approx. 1,5cm from the top of the purple block, tucking floral/leaf cut-out under the bottom right and tab under the top.
13. Adhere the other vintage block to the bottom of the right page, approx. 1,5cm from the bottom and 8cm from the right. Add tag to the top left.
14. Raise quote block with foam tape and adhere approx. 4cm from the right and 3,5cm from the bottom. Add bracket to the right side.

15. Adhere the remaining 2 photo mats to the damask strip, one on the left page and the other on the right, both approx. 2cm from the bottom of the page.
16. Raise "we are soul mates" circle with foam tape and adhere to the damask strip. Add lavender cut-outs and chipboards on either side. Attach bow to the bottom of the circle.
17. Adhere the bicycle chipboard to the right page, adding dome stickers to the wheels.
18. Adhere the rest of the word and heart chipboards to the layout as per picture.
19. Use the remaining fussy-cut elements, metal charms and rhinestones to add embellishment to your layout, raising some elements with foam tape for extra dimension.
20. Apply a little Stickles or glitter glue to some of the images for extra sparkle.
21. Adhere cut-outs from the acetate sheet to add further detail.

Hope you have enjoyed completing this layout ☺

Love,

Tuliet
