Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply white chalk ink to all the selected chipboard words and allow to dry. Using a blending too/finger dauber, gently add colour to the tops and bottoms of the selected chipboard words, blending in the centre. Allow to dry.
3. The 2 x BFF pages (floral side) will be used as your background pages.
4. Adhere XOXO (pink) paper to the background papers, with 27cm on the left page and the balance on the right page. Tuck pink scalloped border strip under the left side.
5. Adhere YASI! (pink stars) paper to the layout, with 2cm on the left page and the balance on the right page, approx. 3cm from the bottom. Tuck green scalloped border strip under the bottom.
6. Adhere striped paper 1,5cm from the top & 13cm from the left (you should have 17,5cm of the stripe on the left page, and the balance on the right page.) Adhere "Smile and Wave" quote strip just below this striped piece.
7. Adhere BAE (green dots) paper, approx. 4cm from the top of the page. 22cm should be on the left page and the balance on the right page.
8. Adhere the 4 cardstock mats (10x15) approx. 3cm from the tops of both pages. Space them out as per picture, tucking tabs underneath as required.
9. Raise the quote card and camera card with foam tape and adhere to the right page, approx. 5cm from the top. Tuck tag under the top card.
10. Raise large pick fussy-cut bracket with foam tape and adhere to the bottom of the left page, along with fussy-cut banner.
11. Using the floral and other cut-outs, create collages on the left of the left page, and bottom of the right page. Add chipboard elements.
12. Adhere inked chipboard words & other elements to layout, as per picture.
13. Use the remaining fussy-cut elements and domed stickers to add embellishment to your layout, raising some elements with foam tape for extra dimension.

14. Adhere word strips from the acetate sheet to add further detail.

15. Apply stickles (glitter glue) to some of the fussy-cut flowers, chipboard words and elements to add extra sparkle.

Hope you have enjoyed completing this layout ☺

Love,

Tuliet
