Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard elements: Apply Crimson Copper ink to the small stars and Starlight Black ink to the selected chipboard words. Once dry, apply Black Diamond stickles to parts of the word chippies to add extra sparkle. Allow to dry completely.
3. I recommend using 2 sheets of plain white/kraft cardstock as your background pages – you can layer all the cut papers on these sheets.
4. Adhere FESTIVE CHEER (stripes) strips to both outside edges of the white cardstock backgrounds, left and right.
5. Adhere ALL IS BRIGHT paper to the right side of the left page.
6. Adhere JOY TO THE WORLD paper to the left side of the right page.
7. Adhere both WORDS border strips to the stripes strips on the outsides of both pages.
8. Adhere SEASONS GREETINGS (red chevron) piece to the left page, approx. 5cm from the left & 1/2cm from the top.
9. Adhere small blue chevron block to the left page, approx. 1/2cm from the right & 14cm from the top.
10. Adhere WISH UPON A STAR (large blue stitched) piece to the right page, approx. 1/2cm from the left & 7,5cm from the top.
11. Adhere cut-out house element just above this stitched block.
12. Adhere 10cm x 15cm RED photo mat to the stitched block (left side) and add QUOTE block to the right side, adding cut-out tabs to both pieces. Add a small piece of scalloped border strip to the top of the photo mat.

13. Adhere 10cm x 15cm BLUE photo mat to the right of the red chevron block on the left page, centred top & bottom. Also add tab on the top as well as scalloped border strip.
14. Adhere the DOT small photo mat to the left side, approx. 6,5cm from the top.
15. Adhere small RED photo mat to the centre of the small blue chevron block, adding tab to the top.
16. Cut out a cream circle to fit behind the JOY TO THE WORLD chippie (use one of the blocks on PP6908) Adhere the chippie to this circle, then raise with foam tape and adhere to the top right of the left page.
17. Cut a small piece of red paper to fit behind the star (it's Christmastime) chippie, raise with foam tape and adhere to page 2.
18. Adhere the other prepared chipboard words as per picture.
19. Raise the fussy-cut houses with foam tape and adhere to the bottoms of both pages, adding word strips and acetate word strips as desired.
20. Raise MERRY CHRISTMAS banner with foam tape and adhere to the top right of the right page, along with fussy-cut elements.
21. Use the remaining fussy-cut elements, acetate words strips, rhinestones & metal charms to add embellishment to your layout, raising some elements with foam tape for extra dimension.
22. Apply Diamond (or clear) Stickles to elements on your layout to add some extra sparkle.

Hope you have enjoyed completing this layout ☺

Love,

Tuliet
