PATTERN: PP7110 GENUINE

- ☐ Fussy-cut hexagon elements

PATTERN: PP7111 AUTHENTIC

- ☐ Fussy-cut tags & other elements
- ☐ Quote border strip

Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard words: Apply Gold ink to the selected chippies and allow to dry completely.
3. The 2 sheets of ONE OF A KIND paper will be used as your background pages – make sure to cut off the border strips.
4. Adhere INDIVIDUAL (full floral) paper to the right page, approx. 3cm from the top & 1,5cm from the right side.
5. Adhere ECCENTRIC 20cm x 15cm block to the right page, approx. 3cm from the right & 5cm from the top.
6. Adhere BE(YOU)TIFUL paper to the centre of both pages, approx. 1cm from the top. 16,5cm will be on the left page.
7. Adhere INDIVIDUAL (floral border) paper to the left page, approx. 1,5cm from the left and 3cm from the top. Approx. 1,5cm will overlap on the right page.
8. Adhere SPECIAL (green dot) paper below the INDIVIDUAL paper. It should be approx. 1,5cm from the bottom and left edges.
9. Mat the 2 Cream vintage blocks on black dot paper and place on layout as per picture. The larger mat on the left page is approx. 4cm from the top of the page & 1,5cm from the right edge. The smaller mat is approx. 5cm from the right side & top of the page. Add tabs to the right side of both before sticking down.

10. Adhere the quote card to green patterned paper and adhere to the right page, on the black block, approx. 3cm from the top of the page. Add 2 x tabs to the right side.
11. Adhere the 3 square photo mats to the green block at the bottom of the left page, approx. 2cm from the bottom of the page and 1,5cm from the right side.
12. Raise the 2 leaf corner cut-outs with foam tape and adhere to the top left & bottom right of the layout, tucking honeycomb/hexagon cut-outs from the acetate sheet underneath.
13. Raise the 3 small tags with foam tape. Punch holes in the top & tie pieces of twine. Adhere to the bottom of the right page.
14. Adhere the 2 border strips to the left page, tucking hexagon cut-outs underneath before sticking down.
15. Embellish layout by adding fussy-cut elements and inked chippies to your layout as per picture.
16. Add words/images from the acetate sheet to add finishing touches.
17. Apply Stickles to elements on your layout for some extra sparkle.

Hope you have enjoyed completing this layout ☺

Love,

Juliet
