Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard words: Apply white chalk ink to the selected chippies. Using your finger, or a blending tool, lightly apply Aloe Vera & Grapefruit chalks to the tops and bottoms of the chippies, blending with the white in the middle - this will create a shaded/ombre effect. Apply Stickles to the chippies to add extra sparkle. Allow to dry completely.
3. The 2 SANDBAR (woodgrain) papers will be used as your background pages. Make sure the woodgrain patterns run in a landscape position.
4. Adhere the 2 strips of TIDAL POOL papers to both background sheets, approx. 1cm from the top.
5. Adhere the 2 strips of WAVES (pebbles) papers to both background pages, approx. 1cm from the bottom.
6. Adhere the 2 small strips of TIDAL POOL papers to the WAVES strips, approx. 1cm from the bottom of the pebbles pieces.
7. Mat the 2 square FLIP FLOPS (fish net) photo mats onto the SEASHORE (blue) mats. Adhere both photo mats to the left page, approx. 3cm from the right and 1/2cm from the bottom.
8. Adhere large FLIP FLOPS (fish net) photo mat to the large SEASHORE (blue) mat. Adhere to the right page, approx. 2,5cm from the top & 1,5cm from the left.
9. Place inked chipboard frame (with FLIP FLOP words) on the SUNBATHING (seahorse) block. Adhere to the left page, approx. 11,5cm from the left & 1,5cm from the top. Tuck tag under the right side before sticking down.
10. Mat both quote cards with SEASHORE (blue) mats, raise with foam tape and adhere to layout as per picture. Tuck tabs under both quote cards.

11. Raise the 2 fussy-cut borders with foam tape. Adhere them to both pages, approx. 8cm from the bottom of both background pages, adding wavy border strips to the bottom of each piece. Add "I followed my heart..." quote border strip to the bottom.
12. Use the remaining fussy-cut elements and chippies to embellish your layout as per picture.
13. Use the rhinestones, metal charms and elements from the acetate sheet to add finishing touches.
14. Apply Diamond (or clear) Stickles to elements on your layout to add some extra sparkle.

Hope you have enjoyed completing this layout ☺

Love,

Tuliet
