Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard words: Apply Crimson Copper ink to parts of the selected chipboard words. Apply liquid pearls generously to the rest and allow to dry completely.
3. The 2 sheets of MEMORIES paper will be used as your background pages.
4. Adhere FOREVER paper to the left page, with 5cm overlapping on to the right page. Tuck lace & scalloped border strips under the left side before sticking down. Also add a small piece of the fussy-cut lace half-circle to the top left.
5. Adhere TOGETHER (stripes) piece to the right page, flush against the FOREVER piece.
6. Raise large wooden frame cut-out with foam tape and adhere to RED DOT block (LOVE). Adhere to the left page, approx. 4cm from the top & 11cm from the left side.
7. Raise the camera frame cut-out with foam tape and adhere to cream block (cut from off-cuts). Adhere this to the right page, approx. 2cm from the top & 4cm from the left edge. Raise camera cut-out with foam tape and adhere over the camera image on the bottom of the frame, along with quote strip.
8. Mat the 2x small RED Dot blocks with TOGETHER (yellow) mats. Adhere the first one to the top of the right page, approx. 1,5cm from the top & 2,5cm from the right side. The 2nd mat can be placed approx. 1cm from the right edge, below the 1st mat.
9. Mat the framed QUOTE (We may not...) with TOGETHER (yellow) mat, add cut-out tab to the right side and adhere to the bottom of the right page, approx. 1,5cm from the bottom & 1cm from the left side.
10. Adhere the 2 remaining wooden frame cut-outs to the left page. The bottom one is approx. 3cm from the bottom & 1/2cm from the right edge. The top one is approx. 8cm from the top – trim in the centre of the 2 pages as it will overlap to the right page.
11. Adhere the other half doily cut-out to the bottom of the right page. Add tag, books & quote cut-outs to embellish.

12. Use the remaining fussy-cut elements to embellish your layout as per picture, creating small clusters of the circle elements on both left & right pages.
13. Adhere the prepared chipboard title & words as per picture. Place the small hearts on the frames etc.

Hope you have enjoyed completing this layout ☺

Love,

Tuliet
