Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard words: Cut the items carefully from the chipboard frame as we will use the outer frame on the layout. Apply white ink to all selected chipboards. Lightly dab the other 2 colours to the tops & bottoms of the title chippie, blending slightly with a dauber (or your finger) to create a shaded/ombre effect. Allow to dry completely. Apply Stickles to the words & inner frames of the window chippies and allow to dry.
3. Use 2 x sheets of plain white cardstock as your background pages – you can layer all the cut pieces onto these cardstock bases.
4. Adhere the smaller FELLOWSHIP (dots) piece to the left side of the left white cardstock page.
5. Adhere the larger FELLOWSHIP (dots) piece to the right side of the right white cardstock page.
6. Adhere FRIENDLINESS (bunny collage) paper to the right side of the left page, adding QUOTE border strip & thin grey dots strip to the left (leaving only approx. 2-3mm of the dots showing.) The glitter will be added at the end.
7. Adhere CAMARADERIE (floral collage) paper to the left side of the right page, adding QUOTE & zig-zag border strips & thin grey dots strip to the right (leaving only approx. 2-3mm of the dots showing.)
8. Adhere 2 of the COMPANIONSHIP (floral) frames to the dots frames – this should leave a thin border of the grey dots showing on the inside of each frame – these will be glittered later. Raise with foam tape and adhere to the 2 x AMITY (woodgrain) mats. Adhere one of these frames to the right page, approx. 1cm from the top & 1/2cm from the left side.

9. Adhere the 2nd frame to the left page, approx. 1cm from the top & 11cm from the left side – only adhere on the top, bottom and right sides – leave the left side open so you can insert the tag.
10. Adhere the remaining floral frame (raised with foam tape) to the check mat. Adhere this to the left page, approx. 1cm from the top & 1/2cm from the right edge.
11. Adhere chipboard frame to UNDERSTANDING (purple block). Place this on the right page, approx. 1/2cm from the left & 1cm from the bottom. Adhere only on the top, bottom and left sides so that tags can be inserted under the right edge.
12. Adhere cut-out tabs & mini hearts to the 3x pieces cut for tags. Insert these under the 2 photo mats indicated on the instructions.
13. Adhere the rectangle door cut-out element to the left page, approx. 10,5cm from the left & 13cm from the top.
14. Adhere the arch door cut-out element to the right page, approx. 10,5cm from the top & 1cm from the right.
15. Mat both HARMONY quote blocks with the 2 x COMPANIONSHIP (grey dot) pieces. Adhere these quotes to the top & bottom of the dark purple dot piece on the right page.
16. Adhere chipboard title to the left page.
17. Raise cut-out images of the bunnies in baskets and adhere, as per picture. Tuck chipboard windows under these cut-outs on both pages.
18. Adhere 2 x cut-out tags with foam tape to the left page. Tie small bows with ribbon from the embellishment pack and attach to the tops.
19. Use the remaining fussy-cut elements to embellish your layout as per picture.
20. Adhere quotes/words from the acetate sheet to add finishing touches. Mat the quote on a small piece of patterned paper.
21. Apply Silver Stickles to images and chipboards for extra sparkle.

Hope you have enjoyed completing this layout ☺

Love,

Juliet
