Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard words: Apply Liquid Pearls to the selected chipboard words and allow to dry completely.
3. Use a sheet of plain white cardstock as your background page – you can layer all the cut pieces onto this cardstock base.
4. Adhere FELLOWSHIP (dots) piece to the top of the cardstock background.
5. Adhere AMITY (check) paper to the bottom of the cardstock background.
6. Adhere COMPANIONSHIP (floral) paper to the centre of both pieces.
7. Adhere FRIENDLINESS (floral collage on right) paper to the right side of the background, flush against the right edge & centered top and bottom.
8. Adhere all the small 6,5cm x 6,5cm blocks to the layout as per picture, leaving even spaces between each block. You can lay the patterns in any order that you wish. Raise one on each row with foam tape to add dimension.
9. Raise the bunny/basket cut-out with foam tape and adhere to the bottom right of the layout.
10. Adhere border quote & zig-zag strips to the bottom of the layout, also with foam tape.
11. Use the remaining fussy-cut elements to embellish your layout as per picture. Raise some of them with foam tape for extra dimension.
12. Adhere the prepared chipboard words and shapes as per picture.
13. Tuck tabbed words under the photo mats as per picture.
14. Adhere quotes/words from the acetate sheet to add finishing touches.

Hope you have enjoyed completing this layout 😊

Love,

Juliet
