Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboards: Cut the selected items carefully from the chipboard frame. Use a black alcohol ink marker to draw around the selected words on the large quote. Apply dimensional glaze to the rest of the words & other chipboard elements and allow to dry completely.
3. Adhere RUNNIN' WILD (plaid) strip to the left of the MACHO MAN paper – make sure that when you tape them together that the page width is 30.5cm (12") This will be the LEFT page.
4. Adhere zigzag border strip, quote and ribbon to the join between the 2 papers.
5. Use the full sheet of TOP DOG paper as the RIGHT background page.
6. Adhere DANGER ZONE (brown) paper to the centre of both pages, with 15cm on the left page, approx. 2cm from the top.
7. Adhere THE BOSS (black) piece to the right page, approx. 9cm from the top & 9cm from the right side.
8. Adhere STRONG (large blue frame block) to the centre, approx. 4cm from the bottom, with 12,5cm on the left page. Tuck numbers cut-out under the left side before sticking down.
9. Adhere studs, quote & zigzag border strips to the right page, approx. 9,5cm from the top of the page.

10. Adhere STRONG (brown block with blue frame) top the right page, approx. 1,5cm from the right & 1cm from the bottom. Adhere STRONG (small navy frame) block approx. 1/2cm from the right & 4cm from the bottom – tuck dog cutout under the left side.
11. Mat the 4 ALPHA MALE (blue) photo mats to the kraft mats and adhere to layout as follows:
 - #1: 4cm from the left & 2cm from the bottom (right page) – tuck tags under the left side
 - #2 & 3: 5,5cm from the left & 1cm from the top (left page) – the 2nd mat just below
 - #4: 11cm from the left & 1/2cm from the top (right page) – tuck dog cutout under left side
12. Raise the 2 x plaid frames with foam tape and adhere to the grid frame mats. Adhere the square frame to the left page, approx. 1,5cm from the top & 3,5cm from the right. Adhere the other frame to the right page, approx. 2cm from the right & 5,5cm from the bottom.
13. Raise BRAVE (orange numbers) block with foam tape and adhere to the left page, approx. 1cm from the right side & 5,5cm from the bottom – tuck dog cutout under the top left & diamond & tape cutouts under the bottom. Adhere the prepared chipboard title to this block.
14. Embellish layout with fussy-cut images as per picture. Raise some with foam tape for extra dimension.
15. Adhere the rest of the chipboard words & accents as per picture.
16. Add cut-out words and elements from the acetate sheet as per picture.

Hope you have enjoyed completing this layout ☺

Love,

Juliet
