Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard words: Cut the selected items carefully from the chipboard frame. Apply Liquid pearls to the frame and all selected chipboard words - allow to dry completely.
3. Use 2 sheets of KRAFT cardstock as your background pages.
4. Adhere the 2 x strips of each paper to the kraft background in the following order, leaving an even border (approx. 0,5cm) on all outer edges:
 - THE BOSS (black)
 - HERO (orange) - add brown zigzag border strips to the top
 - DANGER ZONE (diamonds)
 - MACHO MAN (brown)
 - RUNNIN' WILD (plaid) – add black zigzag border strips to the to

5. Adhere the following to the LEFT page:
ALPHA MALE (grid) photo mat #1 (mat on THE BOSS (black) #1) – 1cm from the left & 9cm from the bottom.
BRAVE (grid block) – 4cm from the top & 10cm from the right
BRAVE (orange frame block) – 1/2cm from the right & 1,5cm from the bottom
6. Adhere the following to the RIGHT page:
BRAVE (dog block) – 3,5cm from the bottom & flush against the left edge
ALPHA MALE (grid) photo mat #2 (mat on THE BOSS (black) #2) – 1cm from the left & 2cm from the top
BRAVE (brown block) – 11cm from the left & 4cm from the top
7. Prepare the tags:
Mitre the corners of the 3 tags (KRAFT.)
Using a stitching ruler and foam mat, pierce holes all around the edges of the tags. Alternatively, use a ruler to measure the spaces between the holes.
Now take a gel pen and "join" the dots – draw between the holes. This will create the illusion of stitching.
Adhere the 3 tags to the 3 x ALPHA MALE (grid) tags and mitre the corners to match.
Cut 3 small pieces of leftover HERO (orange) paper approx. 2cm wide and wrap them over the top of each tag. Punch a hole in the centre and set an eyelet.
Embellish the tags with small pieces of paper and cut-outs, raising the mini cutout tags with foam tape. Refer to the pictures for detail.
8. Adhere these 3 tags to the layout as per picture – raised with foam tape.
9. Adhere the prepared chipboard frame & titles to the layout as per picture.
10. Embellish layout with fussy-cut images as per picture. Raise some with foam tape for extra dimension.
11. Add cut-outs from the acetate sheet as desired.

Hope you have enjoyed completing this layout ☺

Love,

Juliet
